LIST OF
ALUMNI
of the
University of Utah
and the
CONSTITUTION
AND BY-LAWS
of the ALUMNI
ASSOCIATION

1918

A Word of Greeting

To the Members of the Alumni Association:

This list is being sent out in the hope that it may help to bind the members of the Association more closely together.

The ideal toward which the Alumni Association should strive is to become a closely-knit body of active working members, all in touch with each other through headquarters.

Instead of that, we have, speaking generally, a collection (on paper) of scattered individuals, whose Alumni membership means nothing to them 364 days in the year; on Commencement day they wake up to the fact that there is an Alumni Association—but all too frequently relapse into their previous state of “Alumniacal somnolence” before even attending to the small but important matter of separating themselves from a dollar, for the Association’s benefit.

Of course, there are notable exceptions, in various degrees—otherwise the Association would have been dead long ago. It has been kept alive, not because of the widespread inattention to its affairs, but in spite of it.

A scrambled pile of sand and gravel, however fine may be the quality of the individual particles, will not obstruct even a tiny brook—the water will seep through and pass on unhindered; but let that sand and gravel be firmly cemented together, and the mass of concrete will hold back a mighty river, or stand up against the constant battering of the destructive waves of the sea.

So it is with us. The application of some “get-together” cement will make the Alumni Association a power to be reckoned with.

Get in touch with the Association through the Secretary; send in your suggestions, send in your advice, send in your criticisms, send in your dollars; send in all these, on the basis of this assuring promise—that every one of them that can be made of any use will be put to work.

Let’s get together; let’s show a little life, LET’S EXIST.

Yours, for Alumni Power and Permanence,

THE BOARD OF CONTROL.

JOHN D. SPENCER,

President.

MRS. MAY PRESTON MOYLE,

VicePresident.

MRS. SARAH E. STEWART

DANIEL ALEXANDER

MRS. SARAH E. STEWART, Permanent Secretary.

113 East Third South, Salt Lake City.

A Word to You

You are receiving this Alumni Directory for just one reason: Because you need it.

How many times have you thought of this or that alumnus, and said to yourself, "I wish I could get in touch with him, but I don't know where he is now?" Once? A dozen times? Perhaps you never realized it before, but these times can be counted in hundreds instead of dozens.

So take this Directory, put it where you can get at it, take care of it, AND USE IT, and you will find it worth many times its cost.

Regarding its cost—the Alumni Association can stand part of it, the University will stand part of it, and you whose names are listed and for whose use the book is issued, must stand part of it. Your share is fifty cents.

People will change their addresses, and some (particularly Normal Graduates) even change their names. So if you find in this list anything obsolete or incorrect, please notify the Secretary.

Now in conclusion: A man was asked to make a full list of reasons why recipients of this book should not send their fifty cents; and after working hard for three evenings hunting for reasons HE COULDN'T FIND ONE! If by any strange chance you have a good and sufficient reason which escaped his diligent research—then, of course, send the book back.

But, remember: The return of the book is not expected—the remittance of fifty cents is.

Address all communications and send all remittances to

MRS. SARAH E. STEWART, Secretary
1133 East Third South Salt Lake City, Utah

Invitation

VISITORS are always welcome. The Alumni and their friends are especially welcome to visit the University at any time.

A day is set apart during the Commencement week of each year known as Alumni Day. On this day in particular the Alumni and their friends will own the University. The Faculty and old acquaintances will be on hand to receive you.

Pay her a visit on this day and give your Fostering Mother an opportunity to welcome you again to your Educational Home.

3 0112 105941410

THE University has grown so rapidly within the last few years that many of its Alumni are hardly aware of the greater opportunities it now affords for practical and higher education.

Would it not be a pleasure to visit the Alma Mater on Alumni Day and see for yourself the progress that has been made?
